# INJECTION MOLDED WATERTIGHT CASES

We understand that securely transporting expensive, and highly customized gear is the number one priority for every pro photographer and videographers. And as you know, building tough-as-nails hard shell cases is our specialty. That's why we use our 3i case as a base and provide it with form cut foam which meet your requirements and needs.

## **SPECIFICATIONS:**

- Watertight/dust proof design using tongue and groove construction
- Automatic ambient pressure equalization valve allows case to equalize pressures caused by altitude or temperature change
- Impact strength polypropylene co-polymer provides ultimate protection
- Patented "Trigger Latches" stay closed until you want them opened
- Key Locking "TSA" accepted versions are available

Take a look at our specialized cases!

# THE BEST RACKS IN THE WORLD!

In 1977, the first SKB case was manufactured in a small Anaheim, California garage by SKB founders Steve Kottman and Dave Sanderson. Today, SKB engineers cases for hundreds of companies involved in many diverse industries. We never lose sight of the fact that our customers give us the opportunity to excel and their challenges allow us to develop and grow.

Case for All Applications

Ultimate Protection

Lifetime Warranty
